ROLE AND PURPOSE

Marampa Mines Limited (MML) is actively seeking qualified drillers to join our dynamic mining team. The Driller plays a vital role in executing scheduled drilling activities safely and efficiently, ensuring that drill rigs are well-maintained, drilling accessories are readily available, and operational targets are consistently met. Upholding safety protocols, preparing work areas, and maintaining high-performance standards and teamwork under pressure are essential responsibilities of this position.

RESPONSIBILITIES

- Promote a zero-harm culture by effectively communicating Health, Safety, and Environmental (HSE) requirements to all team members.
- Conduct thorough pre-start inspections on drilling rigs and promptly report any anomalies.
- Ensure compliance with safety protocols, including the proper use of Personal Protective Equipment (PPE) and the implementation of safety signage and barriers before operations.
- Assist in accident investigations and contribute to incident reporting to enhance safety measures.
- Maintain safety in the drilling area, ensuring it is properly barricaded and secured.
- Execute drilling activities following the established drilling plan.
- Verify that drilling rigs are fully operational and well-maintained before use.
- Follow up on reported maintenance issues to facilitate timely resolution.
- Ensure all necessary tools and accessories are properly stored and utilized as required.
- Ensure understanding of drilling plans and team readiness before commencing operations.
- Achieve required drilling depth and accurately measure holes to validate results.
- Monitor progress to ensure drilling targets are met and report challenges to the Drilling Foreman.
- Submit comprehensive drilling reports to the Drilling Foreman, including operational updates and any anomalies encountered.
- Ensure that all reports and figures are accurately entered into the drilling database for future reference.
