Position Title	Tyre Fitters	MML is an equal-opportunity employer. Women are strongly encouraged to apply for roles at MML.
Job Code/Level	Below Supervisory	
No. of Positions	4	
Department	Engineering & Maintenance	
Location	Marampa Mines Site, Lunsar	
Reporting to	Mobile Workshop Supervisor	
Salary	Attractive	

ROLE AND PURPOSE

MML is seeking a skilled and experienced Tyre Fitter to join our team. The Tyre Fitter will be responsible for fitting, repairing, and maintaining tyres on various types of vehicles. The ideal candidate should have a strong knowledge of tyre fitting procedures, excellent attention to detail, and the ability to work efficiently in a fast-paced environment. This is a physically demanding role that requires manual dexterity and the ability to lift heavy objects.

RESPONSIBILITIES

- Fit and balance tyres on a wide range of vehicles, including cars, trucks, and motorcycles.
- Inspect tyres for signs of wear, damage, or punctures and advise customers on necessary repairs or replacements.
- Keep tyre fitting tools and equipment in good working condition and report or fix faulty equipment promptly.
- Remove and replace tyres using appropriate tools and equipment, such as tyre changers, wheel balancers, and torque wrenches.
- Conduct wheel alignments and adjustments to ensure proper tyre performance and vehicle stability.
- Diagnose and repair tyre-related issues, such as leaks, tread wear, and sidewall damage.
- Perform routine maintenance tasks, such as tyre rotations and pressure checks.
- Ensure accurate record-keeping of tyre inventory and maintain stock levels.
- Provide excellent customer service by addressing customer inquiries, resolving complaints, and recommending suitable tyre products.
- Follow safety protocols and guidelines to ensure a safe work environment.
- Stay up to date with industry trends and advancements in tyre technology.
- Follow health and safety procedures, including the use of appropriate protective gear.

EDUCATION & EXPERIENCE

- Technical/Vocational trade diploma or certificate in Automotive Servicing or a related field.
- Senior Secondary School Certificate (WASSCE) plus a trade certificate may be considered.
- A valid driver’s license is required for vehicle testing or assisting with breakdown services.
- Minimum of 5 years’ experience with commercial and light vehicles, tubeless and tubed tyres, and tyre repairs and replacements.

REQUIRED SKILLS

- Strong customer engagement and communication skills.
- A keen eye for details in inspecting tyres for wear, damage, or punctures.
- Strong leadership, problem-solving and decision-making skills.
- Knowledge of tyre brands, specifications, and fitting standards.
- Basic computer literacy for workshop software/logs and data handling.

WORK ENVIRONMENT AND PHYSICAL REQUIREMENTS

- The individual must be physically and mentally fit for the mining work environment.
- Physical stamina and ability to lift reasonable weights and work in various conditions.
- Willingness to work extended hours, including weekends, holidays, shift roster system, and during emergencies.

HOW TO APPLY & CLOSING DATE

Please forward your application, including your CV, cover letter, copies of your educational and professional certificates and any other supporting documents.

To **Marampa Mines Limited. Human Resources** desk via the main entrance gate of the Mine Site, Lunsar or e-mail:

MMLRecruitment@marampamines.com
<https://marampamines.com/careers/>

The closing date for receipt of applications is the 21st of April 2025.

Only shortlisted candidates will be contacted and may be required to perform written and practical assessments, where applicable.

Women are strongly encouraged to apply for roles at MML.
